  - Simple decor such as smooth or rustic icing, simple piped scrolls or buttercream details.
- Additional charges may apply for special details or fondant accents/designs and is based on availability. Design must be chosen at the time of the order. Fresh floral can be added at no charge with florals supplied by you.

### What's **not** included:

We wish we could do it all, but we can't! Tastings, design meetings and delivery/setup are not available with these smaller orders. Ordering must be done via email or a quick stop in our shop. We promise to give your order itself the same care as we do all our wedding cakes! If you would like to sample our quality, please plan to come in to purchase a cake or cupcakes from our case to sample at your leisure.

Your cake will be packaged and ready to go for pickup and we will help you to your vehicle. Tiered cakes will be packaged securely in an extra tall box. The box must sit on a level non-skid surface, away from any items that could fall, cause damage, or leave contaminants. Please note that our cakes are made with real cream in the fillings and frostings, as well as a smooth, fluffy buttercream frosting. They must be WELL chilled until 1-3 hours prior to serving. Please plan storage accordingly. This is SUPER important!!

### Simplicity Steps:

**Inquiry:** Send us an inquiry regarding your date and needs! We want to know: Date, size, design and any other details on toppers/florals for your cake.

**Retainer:** A \$20-\$50 retainer is required to book your spot, depending on the size of the order. This retainer will come off the price of the cake and is meant to hold your date. It is non-refundable.

### Pick up:

By paying your retainer invoice, you agree to that plus:

- Cake must stay chilled until 1-3 hours prior to serving. Cool basement is NOT cool enough. Fridge, please.
- Cake must be picked up and placed on a level traveling surface- allow Ampersand Staff to help you out to your vehicle for peace of mind.
- Please do not store cake at a tilt or in a hot room, by a window, or a heating unit. Do not transport cake room temp/warm.
- Add floral work at your own risk. Put down a plastic wrap barrier in between floral arrangements and cake. Do not stick floral stems into the cake.
- Heavy cake toppers are not recommended.
- Store leftover cake well wrapped in fridge for up to 7 days, or in the freezer for up to 3 months.
- Have the BEST DAY EVER!
